Overall Comments:

This is a follow-up inspection to the limited inspection conducted on 5/28/2026 resulting in closure due to vermin.

Facility has completed the checklist for reopening after a closure due to vermin.

Facility has been treated by professional pest control service

Pest control invoice states no further vermin activity activity observed on 6/4/2026. Provide additional pest control invoices to your district inspector.

PIC stated that all affected product was discarded. Storage shelves have been thoroughly cleaned and sanitized.

No evidence of vermin infestation was observed on re-inspection.

**Facility is reopened and may resume food sales.*

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/18/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
