Overall Comments:

- On-site for follow-up inspection after facility was closed due to the presence of vermin during a complaint investigation.
- Facility was treated by pest control company on 6/13/2022 and will maintain weekly services for the first month.
 - Note: Facility has pest control servicing facility monthly - past reports available for review.
- During follow-up inspection:
 - No dead or live cockroaches observed.
 - Majority of the holes, gaps, cracks, and crevices where activity was observed have been covered/sealed.
 - Facility has cleaned and sanitized entire kitchen facility.
- Continue to clean and maintain facility free of vermin.
- Facility is hereby authorized to re-open and resume operations.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/28/2022**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
