**Overall Comments:**

*On site for follow up inspection for routine inspection conducted on 12/6/23.*

*Per manager, there was an issue with plumbing outside the facility, it has been fixed and plumbers are finishing up the repair work. Turned water on at three compartment sink, two compartment sink and turned on dish machine and let water run for more than one minute. No observation of wastewater backup at any drains or floor sinks. Floors are cleaned and sanitized.*

*Facility is okay to reopen.*

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/22/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
