Overall Comments:

On site for a follow up inspection for routine inspection conducted on 9/26/25.

No vermin activity observed in the facility.

Owner has cleaned the affected areas. Back storage area is cleaned as well. He has installed tiles in the storage area. No food is stored in the stored.

Checklist and pest control report provided.

Still observed a lot of unused equipment with few dead cockroaches that was moved to the back outside of the facility. Ensure unused equipment is removed from the premises to prevent pest harborage.

Continue cleaning and sanitizing the facility.

Facility is ok to reopen.

Office hearing letter will be mailed to the owner.

Ensure pest control services are not discontinued after this inspection. Email next pest control reports to district specialist at sukhreet.kaur@deh.sccgov.org

Note - Contact Department of Environmental Health Plan Check at (408) 918-3400 or dehplancheck@deh.sccgov.org prior to any remodeling or installation of new equipment.

See Impound report.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/17/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
