The purpose of the site visit is a follow-up to the inspection conducted on 12/17/25. DHA has received indication that the facility is currently in accordance with the California Labor Code.

The health permit thereby reinstated, and the facility is okay to operate. Any future noncompliance of the application laws including California Labor Code may result in further enforcement action.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/9/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
