Overall Comments:

Facility is operating without a valid Environmental Health Permit.

48 Hour notice was given 04/24/2023.

A food facility shall not be open for business without a valid health permit.

PIC was able to submit payment to reestablish valid permit. Facility ok to operate.

Upon arrival to facility, observed employee carrying fried shrimp outside the building and entering the door to individual facility.

Ensure that all food is properly covered and protected from contamination when moving from back prep area to facility.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/16/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
