Overall Comments:

This is the first follow up inspection:

Observations:

K08: All food on TPHC were time marked appropriately.

K23: No evidence of cockroaches in the facility were observed. Facility has sealed gaps under the counter and around pipings under the three compartment sink and prep sink. The tiles are in process of being replaced. Ensure to clean wire shelving of grease residue.

Reviewed pest control report. Report dated for 9/24/2025 indicated no evidence of vermin observed. Ensure to correct identified areas of concern that the pest control report cites.

Continue to correct any and all pending violations.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/28/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
