Overall Comments:

Follow-up inspection for violation 23; owner said they caught 4 rats, sealed entry points, and set 42 traps and will continue monitoring. Facility has been cleaned and sanitized with a diluted bleach solution. Facility will continue working closely with pest control. Observed a few droppings that were missed during cleaning; facility subject to a charged follow-up inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/28/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
