Overall Comments:

Note: 1. The school receives food from Mt. Pleasant School District Warehouse daily and serves breakfast from 8:00am - 11:00am and lunch service from 11:00am -12:35pm. Remaining hot PHFs are discarded at end of each service.

2. Food safety manager certificate: Leticia Bautista - 4/24/2030

3. The school has a directly connected two compartment warewash sink which is used for washing of dishes, food preparation, and hand washing. It is recommended to have a designated three compartment warewash sink to wash the utensils, a designated handwash sink for employees to wash hand, and a designated preparation sink which drains into a floor sink. Until these utensils are installed, please use colanders to wash fruits and vegetables in the two compartment sink.

4. According to USDA regulations, schools serving lunch through the School Lunch program must have a written HACCP plan in place. Please keep a copy in the cafeteria.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/13/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
