Comments and Observations

Major Violations

No major violations were observed during this inspection.

Minor Violations

K22 - 3 Points - Sewage and wastewater improperly disposed; 114197

Inspector Observations: *Prep sink is not available for use due to potential sewage backup. Per manager, prep sink has been inoperable for approximately a month. Store manager stated the backup is currently being repaired/assessed. 3 compartment sink's sanitizer compartment is temporarily being used as food prep sink. [CA]: Liquid waste shall be disposed through the approved plumbing system and shall discharge into the public sewerage or into an approved private sewage disposal system. Discussed properly sanitizing 3 compartment sink sanitizer sink prior and after use.*

Overall Comments:

Logs observed.

Discussed with manager that violations with comply by date shall be corrected by 11/08/2024. Continued non-compliance will result in subsequent follow-up inspections charged at \$298 per hour.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/15/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
