- Both prep coolers at the left side of the front service area (near the pizza oven) have been repaired to hold potentially hazardous foods at 41F or below. Continue to monitor using thermometers inside the units and by using the available probe thermometers.

Facility has corrected all cited major violations.

Facility re-issued a Green "Pass" placard.

Continue to work on the violations cited during the last routine and follow-up inspections.

Facility will be billed for the second follow-up inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/18/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
