Overall Comments:

On-site for a follow-up inspection after facility was closed due to evidence of a cockroach infestation.

The following was provided prior to the follow-up inspection:

1) Pest control service report from a licensed provider stating that the facility was treated, and that no live or dead cockroaches were observed

2) Signed and completed vermin reopening checklist

During the follow-up inspection, observed no live or dead cockroaches.

Facility may now be reopened and resume normal operations.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/24/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
