#### Minor Violations

N/A

#### Measured Observations

Item	Location	Measurement	Comments
Temperature	Mechanical dishwasher	160.00 Fahrenheit	
Milk	Walk-in cooler	40.00 Fahrenheit	
Puree	Steam table	159.00 Fahrenheit	
Chlorine	Mechanical dishwasher	50.00 PPM	

#### Overall Comments:

**Note: 1. This is a follow-up inspection to the routine and complaint investigation inspections conducted on 05/03/2023. The facility was given a conditional pass due to major violations in lack of proper handwashing, dishwashing, and dead cockroaches inside the facility. Today, the soap and paper towel dispensers of the handwash station located by the mechanical dishwasher fully supplied and employees were observed to wash their hand properly. The mechanical dishwasher is now heating to 160 OF and a chlorine disinfectant is also installed in case the water temperature is lowered than 150 OF. No live or dead cockroaches were observed inside the kitchen as well.**

**Therefore, the facility is give a green placard.**

**2. The facility is covering the concrete floor of the kitchen with quarry tiles**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/25/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
