Overall Comments:

Notes:

- Cluckin Hot Chicken is operating the Build Pizza facility. After discussions with Juan Valencia, cluckin chicken is operating as an "employee" of SJSU.

- Per CalCode 113770. Employee "employee" means the permit holder, person in charge, person having supervisory or management duties, person on the payroll, family member, volunteer, person performing work under contractual agreement, or other person working in a food facility.

- Ensure to obtain a Food Safety Certificate for the operation.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/3/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
