Follow-up By
05/23/2026

Measured Observations

Item	Location	Measurement	Comments
Hot water	Bar's Three compartment warewash sink	120.00 Fahrenheit	

Overall Comments:

This is a second follow-up inspection for the restaurant which was closed for cockroach infestation. The company hired a new pest control company(IPM Specialist Pest Elimination Experts) and have a pest control intervention conducted yesterday. The report from the pest control company stated that no live or dead cockroaches were observed during a second visit conducted today. Specialist received completed vermin checklist and a new pest control company report for intervention conducted on 05/22/2026 and for the follow-up visit conducted on 05/23/26.

During the time of this inspection, no live or dead cockroaches were observed. Therefore, the restaurant is open for service. However, the above violation must be addressed immediately.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/6/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
