- 3. If the school is going to use the two compartment warewash sink for hand washing, fruit washing, and dishwashing, a standard operational procedure must be submitted to our office for approval.**
- 4. According to the USDA regulation, schools serving lunch through the School Lunch program must have a written HACCP plan in place. Please keep a copy in the cafeteria.**
- 5. No violations were observed during the time of this inspection.**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 2/24/2026. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
