Inspected By ANJANI SIRCAR	Inspection Type HEALTH ORDER INVESTIGATION		Consent By NO ONE PRESENT		

Overall Comments:

The purpose of this inspection is to suspend the Environmental Health Permit to operate for a period of 5 days, effective today, April 15, 2021 through April 19, 2021.

The permit suspension is a result of the Administrative Hearing that was held on 4/6/2021 and the 4/8/2021 Notice of Findings – Suspension or Revocation of Health Permit to Operate.

You may not sell, operate or prepare any food during the period of closure. A red placard has been posted at the front entrance and must not be tampered with.

The facility phone number was unreachable and voice mail was not accepting messages at this time.

The front door and the rear door to the facility was locked at the time of the inspection.

The report was placed in the mailbox and emailed to the email address on file as well as the owner email address

Note: This was a Joint inspection conducted with Kane Bethea.

Notice of Permit Suspension
Immediate Closure Required

Pursuant to County Ordinance Code section B11-34 and California Health and Safety Code sections 113715 and 114409, the permit to operate your food facility is hereby suspended. **You are ordered to immediately cease operation of the food facility at 803 LINCOLN AV, SAN JOSE, CA 95126 and prevent public access to the facility.** Operation of your food facility constitutes an imminent hazard to public health because of the risk of COVID-19 transmission associated with the violations of the public health orders, as described above in this Official Inspection Report.

If you fail to immediately suspend operation of your food facility, the County may:

1. Charge you any costs the County incurs to correct the violations and public nuisance, including staff costs and attorneys' fees;
2. Initiate civil action or criminal prosecution;
3. Revoke your food facility permit; or
4. Take any other action appropriate under the law.

In order to reinstate your permit, you must contact the Department of Environmental Health at 408-918-3460 or DEHCovid19@cep.sccgov.org to schedule an inspection with a Department of Environmental Health inspector so that the inspector can verify that your food facility has abated all violations and is in full compliance with the public health orders and any other applicable laws. The Department of Environmental Health will schedule a verification inspection within three business days (not including weekends or holidays) of your request for reinspection. The initial reinspection to verify compliance will be conducted without charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made.

If you disagree that the violations exist, you may appeal the suspension by filing a written request addressed to Michael Balliet, Department of Environmental Health Director, for an appeal hearing to present any supporting evidence. Your written request for an appeal hearing must be filed within 15 calendar days of this notice and must be submitted either (1) by email to DEHAppeal@cep.sccgov.org or (2) by postal mail or in person to 1555 Berger Drive, Suite 300, San Jose CA, 95112. An appeal hearing will be conducted within fifteen (15) calendar days of receipt of your written appeal. **You must suspend operation of your food facility pending this appeal hearing.**

Continuing or future violations of the public health orders may lead to further permit suspension or revocation.
