Overall Comments:

On-site to conduct a follow-up inspection per facility request. The facility was previously closed for evidence of a vermin infestation on 11/11/2026.

Confirmed facility has completed the following steps for re-opening:
1. Provided checklist for re-opening verifying that sanitation, food safety, and prevention measures have been completed.
2. Provided reports from a licensed pest control company, Western. The facility received treatment on 11/11/2026 and received an additional follow-up on 11/12/2026. The latest report noted no activity at time of inspection. Confirmed facility will continue to receive monthly pest control services.
3. No live or dead activity or active contamination of food observed at time of inspection.

The facility is hereby authorized to operate by this department. Continue to address remaining violations as cited on the routine inspection report.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/26/2026**.Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
