Overall Comments:

On October 15, 2026, you were served a Notice of Violation for violating the conditions of your permit as stated in the California Health and Safety Code "Section 113715- Failure to operate a food facility in accordance with all applicable laws, including the California Labor Code, to maintain your permits to operate the food facility."

The Environmental Health Permit is hereby suspended due to the following:

Failure to satisfy the terms of a judgment entered against you by the California Superior Court of Santa Clara County.
Failure to provide the County of Santa Clara's Office of Labor Standards Enforcement (OLSE) proof that you have complied with a payment plan that you entered with the State of California Division of Labor Standards Enforcement.

All operations therewith are ordered to be ceased, and food facility must remain closed unless and until the Department of Environmental Health reinstates your permit. See below the required corrective actions:

1.Make all payments due and past due under the payment plan with the State of California's Division of Labor Standards Enforcement and provide proof to OLSE that you have done so. You may email proof to OLSE at OLSE@ceo.sccgov.org.

OLSE website is: www.sccfai1workplace.org. 408 -678- 3210

2.Pay in full directly to DEH all penalties and fees incurred because of enforcement activities. Payment of these penalties must be made directly to DEH at 1555 Berger Drive, Suite 300, San José, CA 95110 or via DEH's website at www.Ehinfo.org.

3.Comply on an ongoing basis with all applicable provisions of the California Labor Code, including those governing the payment of wages.

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted.
Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
