Overall Comments:

Note: This is a follow-up inspection to the routine inspection conducted on 3/24.26. The facility was issued a conditional pass for blocking the only handwash station in the kitchen and for the lack of supplies on the handwash station. During the time of this inspection, both violations are observed to be corrected. Therefore, the facility is issued a pass placard.

However, the above repeated violation must be corrected immediately.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/9/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
