Overall Comments:

- On-site for follow-up inspection after facility earned a conditional pass during a routine inspection on 10/15/2024.
- Facility has corrected the following:
 - K05M - Hands clean, properly washed; gloves used properly.
 - At time of inspection, employees observed properly washing hands and changing gloves as required.
 - This Division reiterated the importance of hand washing and discussed hand washing policies with manager.
- K22M - Sewage and wastewater properly disposed.
 - Facility was serviced by plumbing company on 10/16/2024. Receipt was provided upon follow-up.
 - Sewer drains and floor sinks observed adequately draining with no signs of back-up.
- Facility has earned a green pass placard.
- Continue to address all other violations noted on previous inspection report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/31/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
