Overall Comments:

Follow-up for facility that was closed due to cockroach infestation.

Upon inspection:

- *Pest control service and treatment was performed. Most recent pest control service report dated 4/2/26 was reviewed and notes no activity.*
- *No signs of vermin activity observed in the facility.*
- *Verified that the additional required items on reopening checklist has been completed. Facility has cleaned and sanitized all affected areas. Openings, gaps, or crevices that may harbor vermin has been sealed. Reopening was signed and submitted.*
- *Facility will continue to receive regular pest control services to prevent vermin activity from reoccurring.*

Facility is okay to resume operations.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/16/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
