Overall Comments:

On site for follow up inspection after limited inspection on 4/24/25 and an owner initiated follow up inspection on 4/26/25.

Observed pest control reports from 4/28/25 and 4/30/25.

- pest control report from 4/28 mentions two adolescent rodents were caught in the back warehouse.

- pest control report from 4/30 mentions no rodent activity observed in the facility.

At the time of the inspection, no rodent activity observed throughout the sales floor or at the back of the house storage.

Floors under the food and non food sales aisles are cleaned.

All the pallets or racks with storage in the back warehouse have been moved away from the walls to allow cleaning and room to inspect for rodent activity.

Observed snap traps and glue traps placed under the food aisles and in warehouse in multiple locations.

Continue to obtain pest control services as needed and maintain facility free of any vermin activity.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/15/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
