Overall Comments:

On-site to conduct a third follow-up inspection following closure for vermin. Re-inspections were previously conducted on 6/9 and 6/10. No live activity, evidence of vermin, or contamination food observed at the time of inspection.

Confirmed facility has completed the following steps for re-opening:

- 1. Checklist for re-opening has been received from Kyle.*
- 2. Reports from a licensed pest control company, All State Pest Control, have been received. Facility received fogging treatment for cockroaches and rodents on 6/9, 6/10, and 6/11. The latest pest control report states that no live activity was observed during inspection. Confirmed facility will receive weekly pest control treatments.*
- 3. All sanitation and food safety items on worksheet have been verified as completed. Verified facility has conducted thorough cleaning of kitchen, dining, and storage areas.*
- 4. All prevention measures on worksheet and on pest control report have been completed, including sealing gaps in the cove base, walls, and ceiling.*
- 5. Confirmed this facility will continue to receive biweekly pest control services from All State Pest Control.*

The facility is hereby authorized to operate by this department. Continue to address remaining violations as cited on the routine inspection report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/25/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
