Overall Comments:

Facility shall immediately discontinue to sell open food items until the facility is able to control the flies issue.

A follow up inspection will be conducted the following week.

Provide a pest control report.

Ok with Supervisor. PIC will send photos of all the VC&D food and provide a photo proof of trash bags and that they are not selling open food in display case.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/15/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
