Overall Comments:

Subsequent follow-up for facility that was closed due to cockroach infestation.

No live cockroach activity was observed at time of inspection.

Facility has completed required items on reopening checklist.

Pest control service reports for 7/29/25 and 7/30/25 were reviewed that showed treatment was conducted and latest report showing no activity.

Operator states that they will continue with daily treatment for the next month to ensure continued compliance.

All affected areas noted during previous inspections has been cleaned and sanitized.

All observed gaps, crevices, and openings have been sealed or eliminated.

Facility is okay to reopen.

This is a subsequent inspection and will be billed \$298.00

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/13/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
