**Measured Observations**

Item	Location	Measurement	Comments
warm water	handsink (front)	100.00 Fahrenheit	

**Overall Comments:**

*Upon arrival, observed no new signs of vermin activity, found cold/hot water available at 1-compartment sink, however handles and faucet still need to be replaced with commercial items, lighting in cooks line is more efficient then previously and hood system cleaned and found soap and paper towel in mounted dispenser at front hand wash station. Continue to provide approved pest control services.*

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/8/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
