Overall Comments:

This is a follow up inspection to verify that all major violations mentioned on 5/28/26 inspection report have been addressed. Major violations have been addressed and found within compliance:

- K14: Food contact surfaces clean, sanitized. Sanitizer within the dish washer has been repaired properly. See measured observations.

- K23: No rodents, insects, birds, or animals. Some gnats are still noted within the bar area at the time of inspection. A lot less of gnats are noted within the inspection. Continue on working with pest control to eliminate the issue. Also place more blue lights around the facility and submit pictures to specialist. Failure to comply may result in enforcement action.

Continue on working on all other violations mentioned on 5/28/26 inspection report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/17/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
