Overall Comments:

On-site for a follow-up inspection after facility earned a conditional pass during the last routine inspection conducted on 2/23/2026.

Compliance of the following has been verified:

K07: Improper hot and cold holding temperatures:

- All potentially hazardous foods measured at 41F or below, or at 135F or above, except for those being actively prepared.

Facility has marked the two-door under-counter cooler at the fruit station as "out of order", and have filed a work order for it.

K09: Improper cooling methods:

- Proper cooling practices and procedures observed. Cooling thresholds discussed with staff.

Compliance of all cited major violations has been verified.

Facility re-issued a Green "Pass" placard.

Continue to work on the violations cited during the last inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/10/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
