Overall Comments:

On-site to conduct a follow-up inspection to the last inspection and facility closure (dated 6/1/2026).

The following major violation has been corrected:

- K23: No evidence of live vermin activity observed during inspection.

Confirmed facility has completed the following steps prior to re-opening:

- 1. Checklist for re-opening has been received.*
- 2. Reports from a licensed pest control company, Western Exterminator Company, have been received. Facility received treatment for cockroaches on the afternoon and evening of 6/1/2026. Pest control report states that no live activity was observed during fogging on 6/1/2026, nor on the follow-up inspection on 6/2/2026.*
- 3. All sanitation and food safety items on worksheet have been verified as completed. Facility has conducted thorough cleaning of the shelving and equipment in the kitchen area.*
- 4. All prevention measures on worksheet and recommendations from the pest control company have been verified as completed, including sealing all gaps in the facility. Confirmed this facility will continue to receive bimonthly pest control services from Western Exterminator Company.*

Confirmed facility has repaired the plumbing fixture underneath the 3-compartment sink. The drainpipe from the 3-compartment sink now drains indirectly into a floor sink through an elevated air gap. The drainpipe leading into the mop sink has been removed.

The facility is hereby authorized to operate by this department. The change of ownership is now applicable.

**** OWNERSHIP CHANGE INFORMATION ****

NEW FACILITY NAME: COLD STONE CREAMERY

NEW OWNER: FROZEN GALAXY BAAZ LLC

The applicant has completed the facility evaluation application process for an Environmental Health Permit.

The permit category for this facility is FP09. An invoice for the permit fee in the amount of \$664.00 will be mailed to the billing address on the application. Payment must be submitted within 10 days of receipt of the invoice. The owner is responsible for contacting our department if an invoice is not received and remit payment within 30 days.

The Environmental Health Permit will be effective: 07/01/2026 - 06/30/2027. This report serves as a temporary permit. However, the permit will be deemed invalid if the permit fee is not paid in full within 30 days from the date of this report. Okay to Operate.

An official permit will be mailed to the address on file and shall be posted in public view upon receipt.

**Structural Review inspection conducted on 6/1/2026.*

**Obtain food safety manager certificate within 60 days. All other food employees must have valid food handler cards within 30 days from hire date.*

**Facility owner is in the process of obtaining dairy license from CDFA for production of dairy products.*

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/16/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
