Inspector Observations: Appears that facility did not dispose of old traps with dead cockroaches; only set new traps. According to PIC, the facility has not had pest control service recently and the last inspection was in February. [CA] Discard all old traps with dead cockroaches. Set new monitoring traps; recommend working with professional/licensed pest control. Facility is subject to a charged follow-up inspection.

Overall Comments:

Follow-up inspection, all major violations have been corrected. Violation #23 is still a concern; facility subject to a charged follow-up inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/24/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
