Overall Comments:

Follow up inspection regarding closure on 05/29/2025 for rodent infestation.

Specialist conducted a thorough inspection of the facility and found no evidence of rodent/vermin activity.

1. Checklist received and completed by the operator.

2. Pest control report from Clark Pest Control reviewed and verified. Pest control report from 05/30/2025 stated "rodent rub marks seen at ceiling" which was noted on 01/25/2025. Per Owner, this issue has been taken care of. No rub marks were observed at any ceilings during inspection. Per Owner, facility will receive two inspections from the pest control company regarding rodent treatment/prevention in the next 30 days and then continue with regular monthly routine inspections.

3. Sanitation and food safety measures confirmed.

4. Prevention measures in place and maintained. All gaps on the ceiling observed by Specialist and pest control company have been sealed.

Facility okay to operate.

Note: Owner showed proof of Change of Ownership submission via email.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/13/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
