Overall Comments:

This is a follow-up inspection to the routine inspection conducted on 11/20/24.

K30: Operator purchased dunnage racks for walk in cooler and walk in freezer. All food is being stored 6 inches above the floors.

K35: Majority of the cardboard has been removed from the facility. Some cardboard observed in walk in freezer (stuck to blocks of ice). Operator stated that he will be melting the blocks of ice and removing the remaining cardboard. Pictures will be sent to district specialist within 2 weeks to verify compliance.

K43: Toilet facility is still an issue. Per operator, he will be hiring someone to help him clean/sanitize restroom. Pictures will be sent to district specialist within 2 weeks to verify compliance.

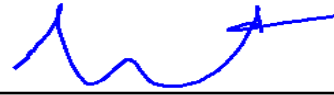

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/30/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
