Overall Comments:

Follow-up inspection for major violations incurred on January 4, 2023 (wastewater and food temperature violations). No major violations observed during time of inspection; facility has discontinued use of low boy refrigerator until it can be properly repaired and the wastewater from the handwash sink and 3 comp sink is being properly disposed. Ceiling leak has not been repaired, but has been covered by plastic. Facility must update inspector when ceiling has been repaired.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/24/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
