Overall Comments:

Follow-up for facility that was closed due to rodent infestation.

No evidence or signs of rodent activity was observed at time of inspection.

Facility has completed required items on reopening checklist.

Pest control service report for 10/01/25 was reviewed that showed treatment was conducted and no activity was noted inside the facility. An additional follow-up by pest control will be conducted in the next week.

All affected areas noted during previous inspections has been cleaned and sanitized. Per operator, the entire kitchen and dining area has also been cleaned and sanitized.

Previously opened foods stored in the facility have been discarded.

Unnecessary equipment and clutter have been removed

All observed gaps, crevices, and openings have been sealed or eliminated.

Per operator, they are also in the process of working with the property owner to rodent proof the exterior of the building.

Facility is okay to reopen.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/16/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
