Overall Comments:

*** Under current permit category (FP06), facility is prohibited from conducting food preparation on-site, including service of coffee. Per PIC, the "Curtis Promo Cappuccino" coffee dispenser is regularly serviced and cleaned by outside vendor "Boyd Coffee". PIC stated that the coffee machine with reusable wares is for employee use only--recommend to designate as employee use only with signage. Ensure no food preparation or warewashing services is conducted on-site as facility lacks a dedicated warewashing sink.**

*** PIC stated the handwash sink in the customer area is not available for public use. Employees are directed to utilize the restroom handwash nsink.**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/20/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
