Overall Comments:

On site for follow up inspection for routine inspection conducted on 5/31/24.

No observation of cockroach activity within the facility.

Facility has been cleaned, however, there is still grease accumulation under cooking equipment and on pipes throughout the facility. Continue cleaning and removing grease.

One under counter refrigerator with prep unit and one under counter refrigerator that are non functional have been removed from the facility.

Open gaps have been sealed.

Pest control service was conducted on 5/31/24 by Ecoguard, email report to inspector at sukhreet.kaur@deh.sccgov.org.

Per owner, fumigation appointment is scheduled for Monday 6/3/24.

Continue to clean and obtain professional pest control service to prevent vermin activity.

Facility will also be inspected for vermin during next follow up inspection that is scheduled for 6/7/24 to check for other major and minor violations mentioned on the report from 5/31.

Facility is ok to reopen.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/15/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
