Overall Comments:

Visited facility to complete the change of ownership. According to the owner he is now talking to buyers to sell. He has changed to a new corporation since 2022. We have EOK on file as the owner. According to the owner he is now Savtaj Enterprises since 2022 and owns 50 percent of the facility. He would like to hold off on the change of ownership until the new buyer comes in. Structural review was not completed at this time and will still be required. Please have the owner of EOK email this department to confirm that EOK still owns this food facility.
