Overall Comments:

Facility receives cooked rice, pho, cooked seasoned meats/seafood from other restaurants cold as per PIC. Foods reheated here at this facility for immediate service, held hot (pho), or under TPHC. Observed TPHC at time of inspection for rice noodles, cooked beef. Per PIC, they stopped offering boba.

Invoices and written TPHC procedure are maintained digitally on PIC's phone. For ease of review and availability, please keep hard copy of the invoices and TPHC procedure at this facility in a designated location.

Observed sliced raw beef in freezer and fridge, which PIC indicates is cooked upon order in hot pho broth, further cooked in microwave.

Discussed option to cook rice here at facility. Sanitation approved (e.g. NSF, ETL Sanitation, etc.) electric rice cooker may be used without exhaust hood. Email specification sheet to gabriel.gonzalez@deh.sccgov.org before ordering.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/7/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
