Overall Comments:

This was a follow-up to the 10/08/24 limited inspection to assess compliance regarding violations K13 (adulteration of food) and K23 (vermin):

- Observed food was unadulterated and in good condition.
- No cockroaches observed during today's inspection. Observed approximately 5 small flies.

Continue deep cleaning facility and equipment. PIC stated facility will resume professional pest control services; recommend having pest control services at least once a month.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/23/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
