### Overall Comments:

***This was conducted as a joint inspection with M. Masri, REHS, and J. Lucas, REHS. This report was generated by J. Lucas***

***It was discussed at the time of the inspection that the high temperature dish machine was not meeting the required temperatures, but the facility had set up a quaternary ammonia sanitizer solution to sanitize dishes prior to this inspection. Continue working on repairing the dish machine.***

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/13/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
