Overall Comments:

Follow-up inspection for closure due to cockroach activity.

The following MAJOR violation has been corrected:

K23M - Vermin

- During time of inspection, no dead or live cockroach activity observed within the facility.
- Noted areas with gaps and crevices including around wall mounted shelving, installed oven, around edges of counter-tops, inside cabinets and around cove base flooring. Properly seal all cracks, crevices, and gaps to prevent harborage of vermin.
- In the water heater closet, observed accumulation of cockroach droppings around holes/plumbing fixtures. Noted water heater closet is in disrepair and unfinished. Provide proper repairs and finishes to prevent harborage of vermin. No live or dead activity in the area.
- Continue to communicate with pest control to provide service within the facility to prevent further activity.
- Noted use of cardboard to line counter-tops, and use of unapproved tables and fabricated wooden equipment. Remove cardboard and unapproved materials/equipment from the facility to prevent harborage of vermin.
- Noted the front prep area walls and ceiling are not smooth. Ensure the front prep area walls and ceiling are properly constructed to be smooth, durable, and easily cleanable.

The follow-up inspection is a charged after-hours inspection and will be invoiced for a charge of \$645.00. Payment shall be made within 24 hours of receipt. Upon payment, provide proof of payment to district inspector at frank.leong@deh.sccgov.org.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **7/3/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
