Comments and Observations

Major Violations

K08 - 8 Points - Improperly using time as a public health control procedures & records; 114000

Inspector Observations: *Observed potentially hazardous food that measured in the temperature danger zone located on the cooling rack (pizza 66F). According to employees, the pizzas are premade and put on the rack for approximately 40 minutes and then discarded if not ordered. Employees did not have any timers set to track the time the PHFs are sitting in the temperature danger zone. [CA] Ensure PHFs that are subject to time control are time marked and discarded within 4 hours. [SA] PIC will discard within 40 minutes.*

Minor Violations

No minor violations were observed during this inspection.

Performance-Based Inspection Questions

All responses to PBI questions were satisfactory.

Overall Comments:

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/22/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
