Overall Comments:

Follow-up inspection; no major violations observed. No evidence of rodent activity and facility is working with professional pest control on a daily basis. Pest control reports indicate no rodent activity observed. 80 monitoring traps have been set up throughout the store and in the back storage. Facility ok to reopen.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/26/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
