All responses to PBI questions were satisfactory.

Measured Observations

Item	Location	Measurement	Comments
Milk	Walk-in cooler	34.00 Fahrenheit	
Chicken	Walk-in freezer	0.00 Fahrenheit	

Overall Comments:

Note: 1. The warehouse provides prepackaged dry, cold, and frozen food and boxes of single use utensils to 21 elementary and middle schools under the Alum Rock School District.

2. To prevent insect and rodent hiding and breeding below the wood pallets inside the warehouse, it is recommended replacing the wood pallets with approved shelves or dunnage racks which provide a six inch clearance from the floor.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 2/25/2025. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
