Overall Comments:

On-site to conduct a follow-up to the last routine inspection (dated 8/4/2026).

The following major violations have been corrected:

- K06: Inadequate handwash facilities. Observed handwash stations are stocked with soap and single use towels at time of inspection.*
- K07: Improper holding temperatures. Observed no storage of Potentially Hazardous Foods in refrigeration unit in disrepair. All other foods measured at proper holding temperatures.*
- K23: Evidence of vermin activity. Observed all contaminated surfaces have been cleaned and sanitized. No evidence of vermin activity observed at time of inspection.*
- Per PIC, pest control company Orkin arrived on 8/4/2026 to provide services. Observed traps have been set throughout the outside storage area and cafe area. Facility to obtain pest control services report.*

PIC stated that the position of the ice machine shall be adjusted to the side to accommodate the 3-compartment sink for warewashing purposes. Provide picture evidence of the adjusted ice machine to district specialist by 8/12/2026.

The facility has been given a "PASS" for this inspection. Continue to address remaining violations as cited on the routine inspection report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/19/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
