**Overall Comments:**

*Follow-up for facility that was closed due to cockroach infestation.*

*Upon inspection:*

- Pest control service and treatment was performed. Most recent pest control service report dated 3/24/26 was reviewed and notes no live activity. Monitoring glue traps were observed empty at time of inspection.
- Two dead cockroaches observed under shelves by the kitchen entrance. Operator removed dead cockroaches and affected area was cleaned and sanitized. No signs of activity observed elsewhere in the facility.
- Verified that the additional required items on reopening checklist has been completed. Facility has cleaned and sanitized all affected areas. Openings, gaps, or crevices that may harbor vermin has been sealed.

*Facility will continue to receive regular pest control services to prevent infestation from reoccurring with next service scheduled in two weeks.*

*Facility is okay to resume operations.*

*This is a subsequent follow-up inspection and facility be will billed \$282.00*

**FACILITY RE-OPENED / PERMIT REINSTATED**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/8/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
