## Comments and Observations

### Major Violations

K23 - 8 Points - Observed rodents, insects, birds, or animals; 114259.1, 114259.4, 114259.5

**Inspector Observations: Observed a roach on the food prep sink and a couple on the floor. Also, observed a dead roach on the bulk food bin tape. Observed cockroaches in the kitchen and front service area. The facility is to close to take effective measures to eliminate the roaches and clean up. Call for a reinspection before reopening.**

**[CA] Clean and sanitize area of dead cockroaches or old droppings.**

**The premises of each food facility shall be kept free of vermin. A food facility shall not operate when there is a vermin infestation that has resulted in the contamination of food contact surfaces, food packaging, utensils, food equipment, or adulteration of food(s). The food facility shall cease operation of the food facility immediately. The food facility shall remain closed until: there is no longer evidence of a vermin infestation; all contaminated surfaces have been cleaned and sanitized; and contributing factors such as cleaning, repairs, and the elimination of harborages have been resolved.**

### Minor Violations

No minor violations were observed during this inspection.

### Performance-Based Inspection Questions

All responses to PBI questions were satisfactory.

### Measured Observations

### Overall Comments:

**Observed cockroaches in the kitchen and front service area. The facility is to close to take effective measures to eliminate the roaches and clean up. Call for a reinspection before reopening.**

## CLOSURE / PERMIT SUSPENSION NOTICE

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/21/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
