Overall Comments:

Permit states Campbell Middle School but facility is named Campbell School of Innovation. Per PIC, no change of ownership occurred. Facility name request may be sent by the Permit Owner via email to Specialist at Princess.Lagana@deh.sccgov.org.

Food is obtained from the Central Kitchen (FA0253506).

Note: there is currently no food safety manager certificate on site. PIC stated previous food safety manager left in December. Ensure a food safety manager certificate is obtained within 60 days from when the food safety manager left.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/6/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
