Overall Comments:

Follow-up inspection to routine inspection conducted by Helen Dinh on 10/03/2024.

The following violations were corrected:

K08: Boba held outside of temperature control was marked using a time label.

K21: Restroom hand wash sink hot water supply measured at a minimum of 100 F.

K41: The one compartment food preparation sink has been reinstalled with a hot and cold water supply.

Continue to work on correcting other minor violations noted during the routine inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/24/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
